

PROVINCE OF WEST LANCASHIRE

Appointment of Provincial Membership Officer

W Bro John Wingfield, PPrJGW has, over the last three years, and to the great benefit of the Province, successfully established from its beginning our effective and substantial network of Membership Officers, and formulated the nature of their work as vital agents in promoting interest in the Craft among those inquiring into it from outside. As a result, there is in place a structure of men and materials appropriate to this important work.

As he retires from office, the RW Provincial Grand Master, and the Province as a whole, express to Bro Wingfield their grateful thanks for his pioneering work.

To succeed Bro Wingfield, The Provincial Grand Master has invited

W Bro Michael Threlfall, PPrGSuptWks

to continue the vital work of encouraging interest in the Craft, and making us known widely and positively to the outside world. He takes up his position from 1 February 2012 in order, in particular, to make preparations for the summer 'season' of country shows at which the Province will have a presence.

Bro Threlfall will be immediately responsible to W Bro Philip Gunning, **PAGDC**, Assistant Provincial Grand Master with particular responsibility for the Membership structure.

Provincial Grand Secretary
February 2012
