

VACANCY OCCURRING DURING THE YEAR

If a vacancy occurs in a regular office, other than that of Master, such office shall be filled by the election or appointment (whichever is the normal method of filling that office) of a member not already serving a regular office in the Lodge at the time the vacancy occurred. If an election is necessary (for Treasurer or Tyler) then notice must appear on the summons for the meeting or in a supplementary notice sent to all members.

'Regular' offices are defined on this website.
