

The Fairfield

Function Suite

12 Fairfield Lane
Barrow in Furness

LA13 9AH

Tel (01229) 821273

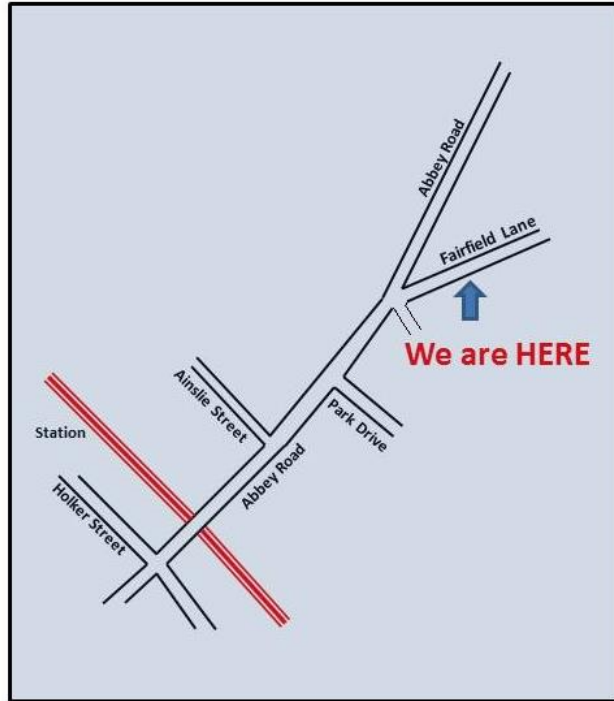

**Licensed for Weddings
Available for Private Hire,
Private Parties and Functions,
Conferences, and other events**

Our premises are available for private use for a range of functions. Whether it is for a Wedding or Retirement celebration, a private event or family party, a conference, a training event, or any other gathering, give us a call.

We have a large private car park on site, and the premises are fully licensed (bar staff will be provided where required). Free WiFi is available, and we have screens and digital projectors available for conferences and lectures.

The site is easily accessible from the main road into Barrow, is on main bus routes, and is only 15 minutes' walk from the main railway station.

Where we are:

How to get here:

Follow A590. At the bottom of the Dalton bypass, turn left at the roundabout, signposted to Furness General Hospital. Continue to the next roundabout and turn right onto Abbey Road. Continue for 1 mile. At the traffic lights, go straight ahead. Continue and turn second left and keep left into Fairfield Lane. We are 100 metres on the right, through the gate posts. The location is clearly signed "The Fairfield".

Our Facilities:

- A large function room that can seat up to 120 people (round tables for dining, or theatre style for conferences)
- A smaller lounge with dividing screens that can be used for smaller functions or as a "break out" area for conferences
- A comfortable modern lounge bar
- Digital projectors and screens
- Fully DDA compliant
- On site private car park
- Fully licensed
- Free WiFi

Contact us to discuss your requirements and to check availability and costs. Very reasonable rates are available, and some bookings may even be offered free of charge.

Catering can also be provided on request, whether buffet style refreshments, or full service dinners.
